

wide range of solutions: Machines, digital apps, production technologies, new concept and software via an interactive live-stream. A highlight of our presentation: All live-streams will be offered in eight different languages (English, German, Spanish, Italian, French, Polish, Russian and Chinese) - making it even easier for us to get in touch with visitors from all over the world.

Be part of our live stream and discuss with our experts – we are looking forward to seeing you!

Get your free ticket now!

Our topics:

- Customized solutions: From planning, to the manufacturing process, to final assembly**
In this live stream, we will inform you about the optimization possibilities of product and manufacturing organization, news in the prefabrication of furniture construction and our innovations

LIGNA 27 - 29 September 2021
